Dear Customer:

This letter is to let you know about an increase in the monthly charge for providing water to your location. The increase is being driven by a 26% increase to San Antonio Water System's wholesale contract. The monthly fee for water service will increase 5.5% which will bring the charge from \$31.00 to \$33.00. The water usage rate will increase 15% for each of the following tiers:

<u>Tiers</u>	<u>Old Rates</u>	<u>New Rates</u>
0 – 6000 gals	\$6.01/1000-gal	\$6.91/1000 gal
7000 – 9000 gals	\$6.26/1000-gal	\$7.20/1000 gal
10000 – 15000 gals	\$6.60/1000-gal	\$7.59/1000 gal
16000 - 20000 gals	\$7.06/1000-gal	\$8.12/1000 gal
21000 gals and over	\$7.95/1000-gal	\$9.14/1000 gal

This year, the District hired a third-party consultant to perform a rate study and the results of the study can be found at the following link:
