

Lead and Copper Participant Survey

The EPA and TCEQ have required all water utilities to inventory the water lines/services within their systems. This includes customer and District owned lines. In order to provide the requested information, we are asking for your assistance completing this survey. Please fill out the online form below to participate.

Alternatively, you may print the Lead and Copper Participant Survey and return the completed form to P.O. Box 570, Adkins, or deliver to 12452 US Hwy 87 E, Adkins, TX 78101 or email the completed form to customerservice@ecsud.com
